MEMORANDUM FOR: James Stefankiewicz , Ed. D.

FROM: Janet Forino

DATE: September 8, 2017

RE: Kathryn Lionetti

---

Please present for Board Approval at the next scheduled board meeting that Kathryn Lionetti, Associate Professor of Biology at Monmouth University and her students be able to observe the Grade 4 Science Classes at the Ocean Township Elementary School for the fall semester.

The purpose of this observation would fulfill the Biology requirement for elementary education majors class in our 4th grade setting with our four teachers to observe. She would alternate the students week by week during the semester. They are looking to make their content offerings more aligned to what their students would eventually end up teaching. This is for elementary education track students initially, but it could also count toward middle school or even the high school certification.

The principal and supervisors have given their approval for this observation.
